ODENTON, MD — We asked Odenton Patch readers what businesses they would like to see come to town, and you answered. In fact, the responses were overwhelming when we posed the [question on Facebook](#), with quite a few residents hoping for new grocery store options.

Patch got dozens of comments that included multiple requests for various grocery stores and a craft store like Michael's, plus various restaurants that would bring Korean food or soul food to town.

Overall readers want a mix of independently-owned businesses as well as chains. The retailers with sizable support are Trader Joe's, Michael's, Mom's Organic Market, and Whole Foods. Here's a sampling taken from the Facebook comments, with several commenters asking for seafood restaurants, along with chain eateries like Blaze Pizza, Sonic Drive-In and Chick-fil-A:
